

**George Ajjan** is an international political strategist, consultant, and commentator. Often sought out as a campaign advisor and media specialist on a global basis, he is also a noted pundit who frequently opines on television broadcasts and in print.

As an expert analyst, Mr. Ajjan was hired by Sky News to provide prime-time commentary both from London and New York studios for the 2008 US Presidential election. Additionally, networks as diverse as Channel 4, the BBC, al-Jazeera, and Fox News have benefited from his keen insights on domestic and international issues. A video log of his clips can be viewed at [AjjanTube.com](http://AjjanTube.com).

Mr. Ajjan has also contributed to respected US-based conservative publications such as *Chronicles* as a foreign policy commentator.

Born and raised in New Jersey, he received a Bachelor's degree from The Johns Hopkins University. Following undergraduate studies, Mr. Ajjan enjoyed a successful management career at Procter & Gamble, later earning an MBA from the London Business School in 2003.

Since his congressional run in 2004, he has played an active role in US campaigns, counseling politicians at every level on all aspects of research, media, and campaign operations.

Internationally, Mr. Ajjan has led numerous projects spanning Europe, the Middle East, and Africa, in concert with a world-class network of pollsters, lobbyists, and fundraisers.
